

Feeding **EveryChild EveryDay**
Every \$6 provides 100 meals a week!

April 2009

Dear friend,

As part of our global outreach, one of our core activities is feeding young children in established orphanages and Christian ministries. We call this program **EveryChild EveryDay** and it is a passion of Peter Sumrall, who founded it in 2005.

"In the camps and villages where we're providing daily meals, the children are beautiful – they are well behaved and brimming with gratitude that we're there.

Looking into their bright and happy faces I realize, they are the future. Among these children could be the next head of state, or the next pastor of a local church. But between now and then, they've got to eat!

We can do that. We can keep them healthy. We can keep them alive. We can give them hope for the future, through faith in the risen Saviour. We can help tens, and even hundreds of thousands of children.

*And for most of these children, we often provide their only meal of the day! So it is absolutely critical that we commit to feed **EveryChild EveryDay** through regular support." says Peter Sumrall – FTH International President.*

Your regular support is daily providing 20,700 children with hot meals in 12 countries through 18 different ministry partners. Around 90% of the meals are shared as part of the normal schooling program of the orphanage or Christian ministry. In this safe and friendly environment, children are not only receiving hot and nutritious meals every day, they are also given a chance to concentrate on their studies. Food for the belly, hugs for the heart, knowledge for the soul – the building blocks for the next generation!

Priscilla is a Ugandan child of this new generation with hope for the future, despite her bleak beginnings. She started life with a sad but common story in her home village of Bulenga. Her father died of AIDS before she was born, and then her mother died of AIDS just a few weeks after giving birth. Unfortunately Priscilla was also infected with AIDS at birth, and she suffers a limp through it's indirect causes.

Her older brothers left to find work in the big city and as the youngest, Priscilla was taken in by an aunt who lives in desperate poverty herself. The aunt struggles every day to provide for her own five children, as well as Priscilla.

Old enough to attend school, Priscilla still doesn't have a mattress, blanket or even a bed sheet. With very little food at home, it is very rare when her aunt can scrounge enough food to make "posho" – a little corn and flour mixed with water into a kind of dough.

"...but thanks to friends like you, she has received a hot meal every day for the past two-and-a-half years at her school, King Solomon's Academy." says Peter Sumrall, "Consistent healthy nutrition means Priscilla can study and learn, and her body has the fuel it needs to grow and stay strong.

And on her face, you always see a smile. "I will never go away from God!" she exclaims happily. Which I believe is exactly what the Lord loves to hear."

"Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these... then he took the children in his arms, put his hands on them and blessed them" Mark 10:14-16

Priscilla is just one of the children who has been eternally impacted by your partnership through **EveryChild EveryDay**. We would like to ask you to prayerfully consider making a commitment to support this program on a regular basis.

It's easy to make a real difference and secure the future for children like Priscilla across the world. **Every \$6 received will provide 100 hot and nutritious meals each week!** Your generous donations will fill little bellies of some of the world's hungriest children. You will empower our ministry partners, like King Solomon's Academy, to share the gospel in word and in deed, to serve the gift of eternal salvation with every meal.

Feeding the hungry is our ministry, our calling, and our passion. We are so grateful to have partners and friends who have answered the call and are joining with us to *Bring Christ to a Starving World*.
