

DALIT CHILDREN OUTREACH

*Reaching India's Untouchables
with God's love*

August 2007

Dear friend,

Our ministry partners, Mercy & Grace Ministries have been instrumental in feeding Indian street children *every day* over the last 12 months, in the state of Andhra Pradesh. They now need our help to purchase a cargo truck so they can increase their capacity and stabilize the supply and distribution of food.

Madhava, Nirmala and their team from Mercy & Grace Ministries have made a tremendous difference among the children of rural Andhra Pradesh. Their hands-on ministry is welcomed in the villages as they prepare hot cooked meals, teach the unschooled children to read and write, and share the Gospel with every meal - all made possible through your generous support.

They are reaching out to the poorest of the poor... to those condemned as 'untouchables' or 'Dalit' by their caste society.

Through your response to last year's appeal, these precious children are feeling Jesus' embrace day by day. **One thousand street children are receiving nutritious meals – a tasty mix of rice, eggs, fresh vegetables, and milk – every single day.** It is this embrace that is leading people away from the fearful bondage to false gods... to Jesus Christ in the hope of a better life.

Our current goal is to further increase the effectiveness of this ministry by raising AUD\$13,600 to purchase a cargo truck, on top of our regular commitments. At the moment, Madhava is using an unreliable *rental* vehicle that is sometimes unavailable and other times simply not working. This creates all sorts of last-minute pressure to find replacement transportation. Purchasing our own truck is a simple solution that will have a profound impact.

The truck will provide a greater level of stability for the food distributions among the villages. And signage on the truck will boldly proclaim God's love to people that society has called "untouchable"... the donation from Christians who love them dearly.

Please seek God about assisting Mercy & Grace Ministries in this vital work in India.

Your donation, whatever the Lord directs, will have an eternal impact in the lives of Indian children who, without godly intervention such as this, would be trapped in India's heartbreaking child labor system.

Through the partnership of Mercy & Grace Ministries and yourself, we can present hope to children who would otherwise be destined to live under in a society of intense discrimination and indentured servitude. This reminds me of the phrase I often hear from Peter Sumrall...

***"Thank you for reaching out to the lost,
the last, and the least in Jesus' name."***

Thank you for sending your best possible gift to help FTH extend God's hand of love to those considered an "untouchable" of Andhra Pradesh.

Voice for the Hungry,

Benjamin

P.S.

By the time you read this letter, I shall be in Cambodia helping with the food distribution, and participating in the Evangelical Crusades with Ps. Billy-Jo and Sharon Daugherty.

This is just part of a multi-ministry outreach all across the nation of Cambodia. I hope to send a full report of all the good things God is doing in this nation when I return.
