*A Time of Awakening and  
Accelerated Answers to Prayers*

February 2009

Dear friend,

I am so excited about 2009 and our opportunities to help people struggling to survive. Already, this year we have plans to help people in desperate need in many countries.

In **Nicaragua**, we plan to help restart food distributions centres operated by Troy & Ginette Douady. This couple have worked diligently in this country for a number of years and need our help to support families with food, medical care and education.

The tiny island nation of **Haiti**, has run low on food as it reels from tragedy to tragedy. Women and children continue to be the most vulnerable with their homes destroyed by cyclones and floods, yet our ministry partner Suzie Krabacher continues to comfort and encourage the people tirelessly.

We will return to countries such as **Zimbabwe, Sudan, Pakistan, Liberia, China** and **Myanmar** this year. As always, we will work with strong local ministry partners in each country to ensure that food will be shared with those who need it most.

We are believing for an acceleration of support for the orphanage support program, **EveryChild EveryDay**, as we reach towards the goal of feeding 100,000 children everyday. ECED is providing hot and nutritious meals for 20,700 children in **Burundi, Cambodia, Colombia, Haiti, India, Kenya, Liberia, Sudan, Indonesia, Swaziland, Thailand,** and **Uganda**.

These are just *some* the projects that we have earmarked for the coming year. Consistent giving allows us to prepare future projects, expand existing support and respond immediately to natural disasters like the terrible cyclone Nargis that overwhelmed Myanmar last May. Please prayerfully consider making a regular commitment to feed the hungry.

Thank you again for your wonderful support last year. We look forward to another year of effective partnership in 2009.
