

LESEA GLOBAL FEED THE HUNGRY®

February 2004

Dear Partner,

We want to thank you for your commitment to respond to hurting Christians all around the world by helping to provide food and relief aid through your support of LeSEA Global Feed The Hungry. Your gift of \$95 will continue to bless the body of Christ worldwide and provide hope to those who had no hope left.

In the nation of Zimbabwe, more than half the country is currently in need of international relief aid. Server drought, economic hardship and disease have tragically effected this African nation. Studies indicate that there are in excess of 1.8 million people effected by HIV in Zimbabwe with the disease killing 3,000 people each week.

To help ease the desperate situation LeSEA Global Feed The Hungry is preparing six containers packed with much needed food including beans, rice, pasta, cereal, powdered milk and cooking oil. This relief aid will be enough for 34,000 people!

As noted in previous letters we have a new opportunity to reach the people of Cambodia through a joint outreach with Pastor Mony Mok and the River of Life Churches. We will be distributing rice to many of the needy Christians and orphanages in the capital Phnom Penh. Each rice bag will bear a label that says: "This is a gift from Jesus given by the River of Life Church of behalf on LeSEA Global Feed The Hungry."

We will also conduct a 10-day pastors and leaders conference with one hundred pastors from all over Cambodia attending the meetings receiving precious inspiration and training. Feed The Hungry will provide the food, accommodation and travel expenses for these church leaders during the conference.

I want to take this opportunity to discuss with you some changes that we are implementing here at Feed The Hungry Australia and New Zealand in the coming weeks. Effective February 16, 2004 Mr Benjamin Evans will join our team as the new Australian and New Zealand Operations Manager and fulfil my current role and responsibilities.

Benjamin has previously worked with a number of local and international ministries and has been closely associated with Feed The Hungry for many years. He will continue to serve our valued partners and friends while establishing the vision of Dr. Lester Sumrall here in this region.

As a ministry that continues to persue growth through development in order to bless those less fortunate than ourselves I want to take encourage you to keep the vision before you...never forget that your support and partnership truly does make a difference.

Always for the hungry,

Nathan Thebridge.
