

Dear friend,

I want you to know how special you are to children living in the Philippines.

You are about to 'meet' some of them within these pages - like 5-year-old Cindy.

You'll see how the burden of poverty weighs upon their shoulders and how your generosity brings hope, food and the Gospel to lift their spirits and their lives from the trash heap.

We have big plans to reach 30,000 more children who urgently need 'heroes' like you & I to arrive with food, Bibles ... and hope.

We can reach them together!!

Thank you for praying and acting ... sowing seeds of hope so kids can have a full life in Christ.

Stefan.
