A Life Saving Meal

How is it possible to feed a child for a month for \$6? Working with partners!
With your help, Feed The Hungry delivers food to church and missionary friends in 25 countries.

Local Christian churches, ministries and schools come together to feed the hungry and ensure that food is distributed to some of the world's most vulnerable people. Nutritious food is packed, boxed, shipped, trucked and arrives as a life-saving meal for hungry kids. All that can be done for just \$6 for each child, providing them with food for a whole month!

Your gift helps get the food to where it's needed most.

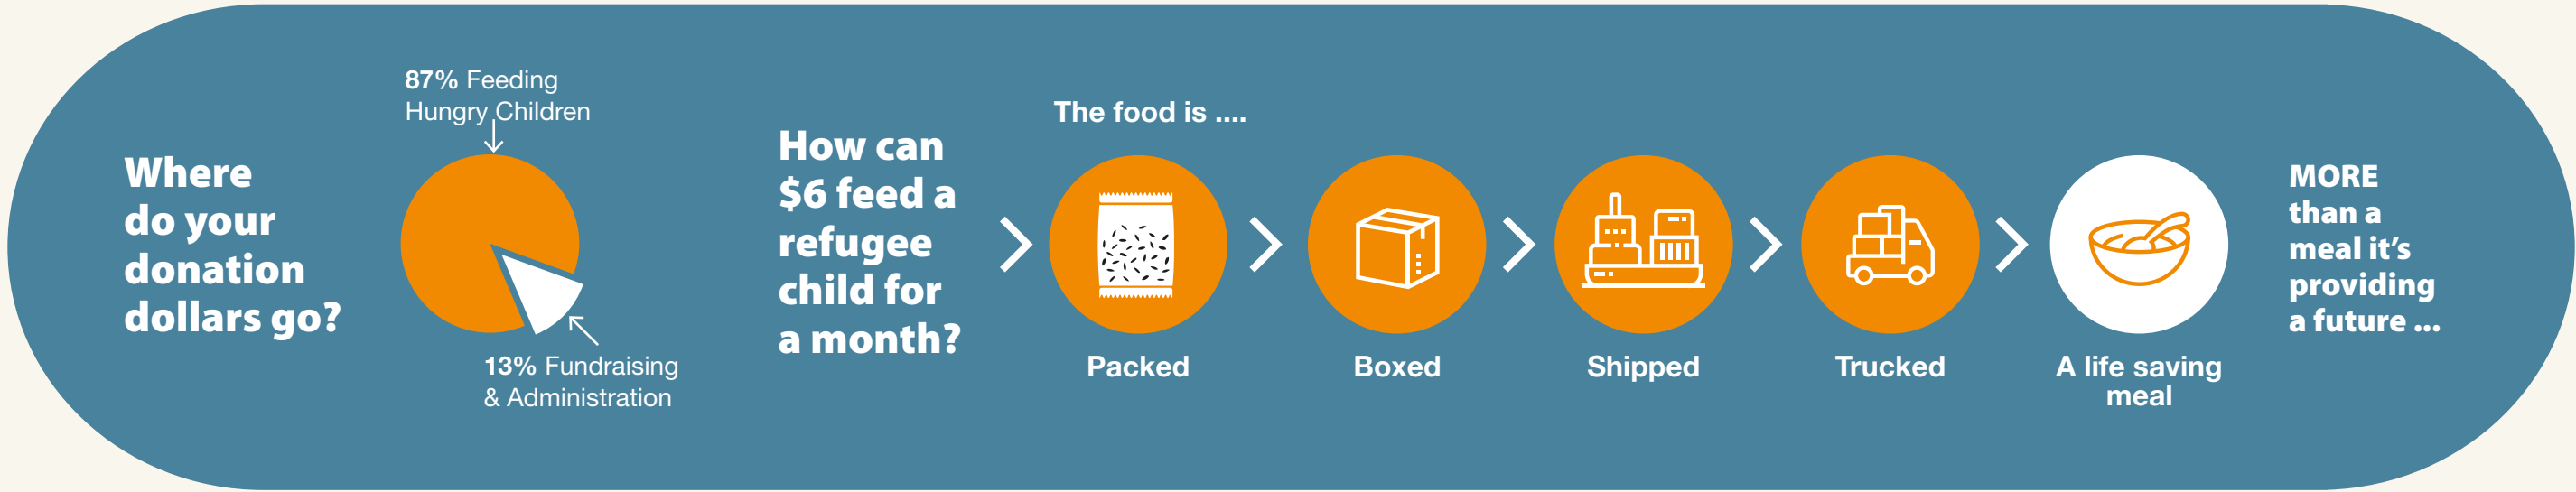

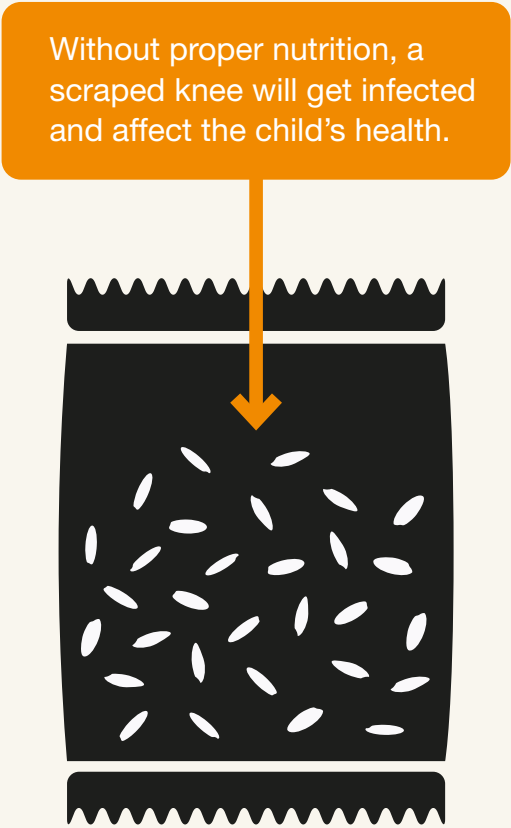

Each lifesaving meal provides ...

Essential nutrition - everything a growing child needs.

Rice on its own provides empty calories, but these supplemented rice packs have been specially developed by nutritionists to sustain and grow young bodies.

They contain fortified vegetables, vitamins, minerals, soy and rice, so that each meal has everything a growing body needs for the day.

- ✓ **Vitamin B12** Energy + healthy red blood and nerve cells
- ✓ **Niacin** Digestion + nervous system + skin health
- ✓ **Zinc** Immunity + wound and tissue repair
- ✓ **Vitamin C** Energy + antioxidant + boosts immune system
- ✓ **Vitamin B6** Brain function + nerves and muscles + immune system
- ✓ **Vitamin A** Eyesight + growth + fights infection
- ✓ **Iron** Energy + stores and moves oxygen in the body
- ✓ **Copper** Energy + makes blood cells + brain development

TAKE AWAY HUNGER DAY²⁰²³

“Let’s support the hungry children, while we have been blessed with the food that we eat. Imagine \$6 only can get you chips or burger here. For them \$6 can feed 1 kid for the whole month.”

Congratulations! Look what you helped achieve...

You'll be thrilled to hear that with your generous support, the Take Away Hunger Day goal to feed 100,000 refugee children in Uganda has not only been met – it's been surpassed!

As friends like you all across the nation rallied together with your local Christian radio station, support flooded in to feed a total of 147,403 children! It is truly a testament to God's grace and the incredible impact that your contribution can have as we join together to make a difference in the lives of these children.

Your generous contribution will go a long way in providing more than just a meal. You're giving

vulnerable children hope for a brighter future. Through your partnership to provide these nutritious meals at school, children will receive the nourishment their bodies need, plus a chance to get an education and hear how much Jesus loves them.

Thank you again for opening your heart and your hand to help take away hunger and fill these children with hope!

With your help we
 exceeded our 2023
 goal for Take Away
 Hunger Day!

Food that brings a future and hope

STELLA travelled to Uganda in the boot of a car, escaping Sudan after her mother was killed. At her school in a Ugandan refugee camp, 15-year-old Stella says that food support makes a big difference for children like her. But, she says, they need more food.

STELLA

RUON, a 17-year-old, lives in a refugee camp in Uganda. He says the biggest challenge is that there are lots of hungry children at school but not enough food.

RUON

JOSHUA

JOSHUA, a 13-year-old refugee, says the food at school helps him learn, but sometimes there's not enough and children fight among themselves to get their share.

MALUK

MALUK'S family was separated as they travelled from South Sudan to a refugee camp in Uganda. Without her father, her mother is battling to provide for her family alone. Despite the challenges of living in a refugee camp, 14-year-old Maluk is dreaming big. She says she wants to become a doctor when she finishes school.

Whoever is kind to the poor lends to the Lord, and He will reward them for what they have done. Proverbs 19:17
