

# You're bringing **HOPE** to thousands of South Sudan's kids **IN CRISIS**

**M**any thousands of children are battling hunger and hopelessness in South Sudan due to civil war and drought, which have caused food shortages throughout the country.

Conflict over the past three years has disrupted farming, destroyed food stores, and forced families to flee their homes to escape marauding soldiers.

Hannah, a mother of four, tried going back to her home village where she says, "I can at least try to grow my own vegetables". But rebel soldiers and lack of rain have left her and her children with little to eat.

Thankfully, you're helping to bring hope to families like Hannah's.

Together with you, Feed The Hungry is now partnering with bishops of Anglican churches in South Sudan to provide food and emergency aid to many people in crisis. And so far, you've helped provide three semi-trailers full of food and resources to help 10,000 people in South Sudan!

What an impact you're making for many hungry children in crisis, as you help bring the food...

*(continued on page 2)*

**FEED THE HUNGRY**  
1987 - 2017

... they need to survive, and feed their hungry souls with the Good News of Jesus through our FTH team and trusted church partners on the ground.

But as you can imagine, it's dangerous work and needs lots of prayer.

In this volatile crisis, Feed The Hungry has to be ready

to react fast and provide resources on the run. Because there are no schools or safe buildings, we must be able to fill hungry tummies and hearts with hope whenever God gives us the opportunity.

Thank you for helping so many in crisis through your support. And please pray for each child who's now putting their trust in Jesus – thanks to you!

# Your gift today will give the hungriest children the joy of a full life!

"Shamia is malnourished. But two months ago, her health began improving. I can see the effects of the daily manna we are feeding the children."

– Rosa

## Cycle of a *full* LIFE

When you help feed a hungry child through your support of Feed The Hungry, you're doing so much more than providing a simple meal. Your gift also opens the door for these children to go to school, and it connects them with local churches so they receive spiritual nourishment – helping vulnerable children know how good a full life feels, now and for eternity!

### SURVIVAL

Helping children survive natural disasters, extreme poverty and malnutrition by providing emergency food relief

### STABILITY

Restoring physical health to impoverished children by providing daily nutritious meals through *Every Child Every Day*

**SPIRITUAL** Equipping children and members of the community to find hope in Jesus Christ, grow in God's Word, and become active members of the body of Christ

### SIGNIFICANCE

Empowering a new generation with the physical, mental and spiritual strength they need to live full lives and transform impoverished communities

### SUSTAINABILITY

Creating a better future by educating children and teaching communities sustainable agriculture solutions

"Since you started feeding the children, the enrolment, attendance and academic results have become high."

– Steven Masambu, deputy principal of a primary school in Uganda's Kiryandongo refugee camp

## Let's Celebrate 30 Years of **FULL LIVES**

as friends like you feed the hungry  
in Jesus' name!

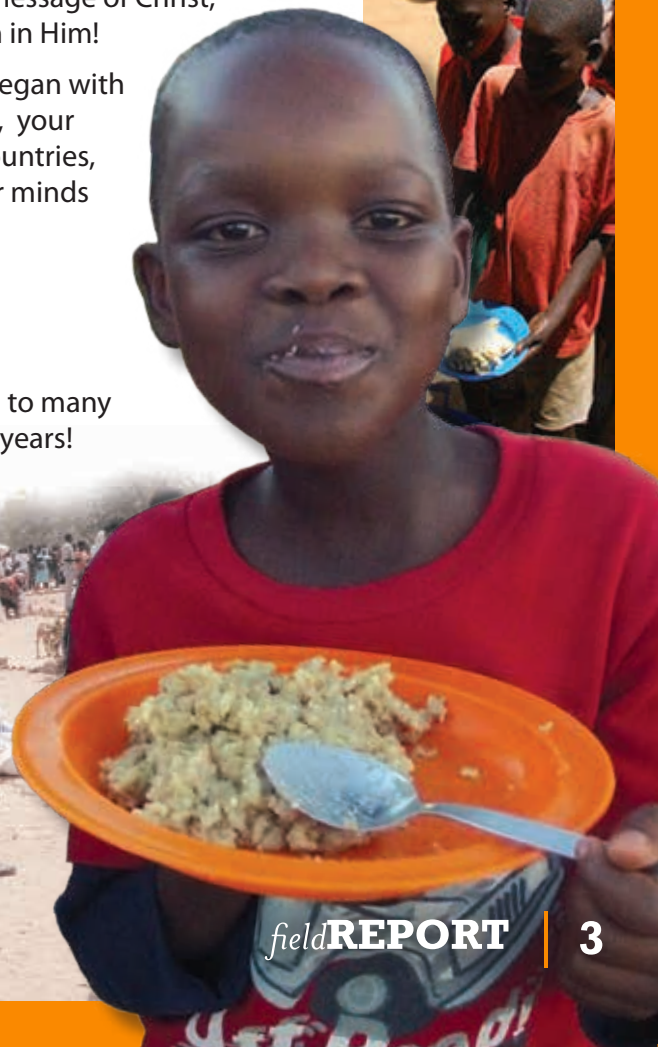

**F**riends like you helped launch Feed The Hungry 30 years ago in November 1987, providing emergency aid and food to those affected by natural disasters.

Since then, generous friends like you have helped deliver over 97 million kilograms of food aid to hungry people trapped in abject poverty or displaced by natural disaster. Not only have you met their physical need in times of crisis, but through your support you have shared the message of Christ, leading tens of thousands to newfound faith in Him!

The *Every Child Every Day* feeding program began with 800 children in Kibera, Kenya, in 2006. Today, your support helps feed 171,485 children in 19 countries, while giving them an education to feed their minds ... and the Gospel to nourish their souls.

As our founder Dr Lester Sumrall often said, *"This is just the beginning. There are greater blessings ahead!"*

So, together with you, we're looking forward to many more lives being transformed in the next 30 years!

Dear Friend,

Feed The Hungry began 30 years ago as a disaster relief ministry, and now it's mind-blowing to see how God has expanded our rescue mission.

Together with you, we're now feeding 171,485 hungry children around the world every day... and taking on dangerous missions like bringing food and hope to thousands of children fighting to survive the violence and corruption in South Sudan.

I believe that 2018 holds an incredible opportunity for you and me to deepen the spiritual roots of our children, while reaching more of the world's most vulnerable children than ever before!

By God's grace, we will see 250,000 children free from the pain of hunger by the end of this year.

Thank you for helping to make all of this possible, as your love for Jesus overflows to give people in crisis the help and hope they need for a full life!

Because a full life feels good,

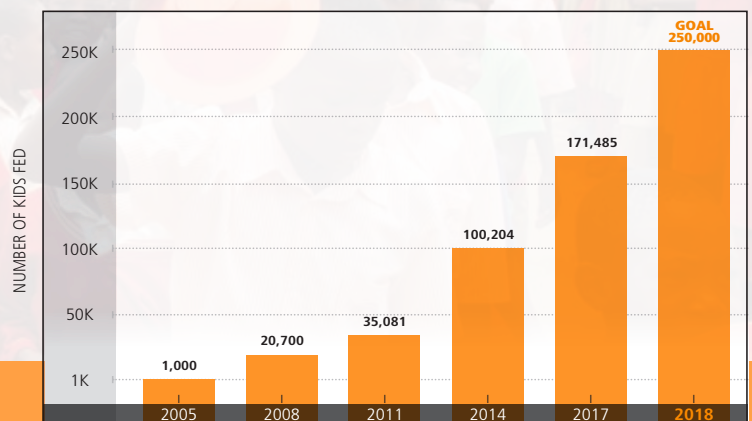

## Let's feed 250,000 of the world's hungriest children... in body, mind and spirit this year!

In 2018, God is calling us to deepen our ministry impact on the children and communities we reach in the world's hungriest nations...

This certainly would not be possible without the support of friends like you.

Your renewed support can help even more hungry souls "taste and see that the LORD is good" in 2018! (Psalm 34:8)

CHILDREN FED THROUGH THE EVERY CHILD EVERY DAY PROGRAM.

### Together in 2018, we can...

- ✓ REACH an additional 70,000 children with the Good news
- ✓ GIVE "food and a future" to 250,000 boys and girls
- ✓ PROVIDE more than 91 million meals to the world's most vulnerable children!
