Statistics estimate that a child under five years dies from hunger related causes every ten seconds. The problem can seem overwhelming, but the lesson from five loaves and two fishes, is that Jesus is never interested in what you need to fix the problem... but rather what you have. (John 6:30-44). Benjamin believes that Christians have a biblical responsibility to respond to the injustice of hunger with acts of kindness and mercy that glorify God and affirm his love for a hurting world.

Benjamin uses speaking opportunities to teach and advocate with a quiet confidence on the issue of hunger with stories and testimonies from his first-hand field experience. He has been featured and interviewed on several fundraising radio campaigns to "Take Away Hunger". Hosting a weekly Facebook Live Video update for Feed The Hungry. He is an ordained minister, with a teaching gift.

Benjamin's heart is to be a voice for the hungry, to share their forgotten & untold story; to spread the joy and love he has for his job which has become his life's work and passion; to Bring Christ to a Starving World!

Benjamin resides in Sydney, New South Wales and is willing to travel within the city, and to regional, interstate or international locations. If you would like Benjamin to come and speak at your church or small group or place of business -- please contact the office and submit this form.

A third generation Christian, Benjamin's grandfather was a Baptist missionary in Malawi for 20 years. C3 New Hope church plant in Oran Park NSW is his home church (C3 Church movement is founded by Ps Phil Pringle). Married to his high-school sweetheart, they have three children together.

Please note that no 'speaking fee' or 'honorarium' is requested or required.
