

MAKING A BEQUEST TO FEED THE HUNGRY

In the bible God promises His followers to satisfy His followers with long life (Psalms 91:16), and our prayer is the same for all supporters of Feed The Hungry. However, Proverbs 10:7 (Amplified) seems to indicate that we can leave a memorial for future generations that will be a source of blessing. It is humbling and a great honour that you would consider a donation to feed the hungry as one of your last actions on earth.

This is an important decision that should be **prayerfully** considered.

Every donation is appreciated, no matter how small it feels to you.
