feeding everychild everyday

February 2008

Dear friend,

Thankyou for your interest in Feed The Hungry, and our orphanage support program called **EveryChild Everyday**. Children are receiving hot and nutritious meals because of the generous support of our partners and friends. Meals are being sent to established and trusted orphanages and ministries across the world, to hardworking Christian leaders who struggle with the daily burden of providing enough food.

Already 14 orphanages & ministries in 12 countries are relying on our support to feed *EveryChild Everyday*. Ministries such as Irene Gleeson in Northern Uganda, or Charlie Milbrodt in Northern Thailand and like our friend in North Korea who daily bakes buns for hungry school children.

North Korea is a country that still represses the freedom of it's citizens, and routinely imprisons and interrogates people based on their religious beliefs. Evangelism is by necessity a slow and subtle ministry, which why we haven't named our friend in North Korea.

Our friend hands out nutritious buns to school children everyday, and like all our food distributions he also hands out a 'daily bread' of a more eternal nature. He carefully spreads the love of Jesus Christ through his Christian example and appropriate words of encouragement and affection to over 2000 school children.

This man is a living epistle, and believes he will raise a new generation that will impact their families and their own country. In fact he dreams of starting 26 more bakeries in his adopted country to feed the dangerously undernourished. In God's will, one day this nation, and these children that you feed every day, can walk in freedom to express the One in whom they believe.

The bible teaches parents to raise their children in the Lord (Eph 6:14) but in North Korea, it may very well end up being the other way around!

We appreciate all donations to feed the hungry, and your continued support will enable us to help more and more children. Please prayerfully consider becoming a regular supporter, for every \$6 you donate we can send 100 hot and nutritious meals.

You can participate by including a note with your donation that it is for *EveryChild Everyday* (orphanage support) or by simply selecting the *EveryChild Everyday* box on the response form when you send in your donations.

As an *EveryChild Everyday* supporter we will send you updates four times a year with testimonies and stories from our orphanage and ministry partners. Alternatively, the very latest information is always available on our website.

Your support will help all our ministry partners, like our North Korean friend, continue to reach out to the next generation. You will contribute significantly to feeding hungry children, and to their exceptional opportunity to hear of God's love.
